Georgian Bay Amateur Radio Club

40th Anniversary

As the Provincial Member of Parliament for Bruce-Grey-Owen Sound, I would like to congratulate the Georgian Bay Amateur Radio Club on your 40th anniversary.

This is indeed a very special occasion. For forty years the Georgian Bay Amateur Radio Club and its members have played an important role in supporting our community with your emergency contact communication capabilities. You should be proud of your excellent work. Your efforts serve as a fine example to all of us.

Congratulations and best wishes on this special occasion.

Yours sincerely,

A blue ink signature of Bill Walker.
