GEORGIAN BAY AMATEUR RADIO CLUB - OWEN SOUND, ONT.  
-----

Minutes of meeting Jan. 13th, 1992.  
-----

Meeting opened at 7:45 p.m. by president Tom, TSA with 32 members present. Pres. Tom, TSA read minutes of meeting of Dec. 9th, as HIP busy recording dues paid by members for 1992. Minutes approved by Henry, TTV; seconded by Ross CUV.

Discussion on new repeater. Members agreed that the repeater committee should decide how the options on the repeater should be set up. Rick, Carl and Henry to get together on these plans.

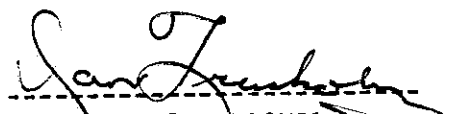

Bob, XOX moved it would be an advantage for the club to own the data nodes, and explained to members about the set up on freq. 145.630 Mhz. Gene, IJD also gave a report of his experiences on packet radio, and seconded the motion that the club pay \$ 485.35 to reimburse funds all ready paid out by various club members now on packet. Carried. Most club members present felt the club should get involved with new events happening in amateur radio, especially to keep the younger members of the club involved.

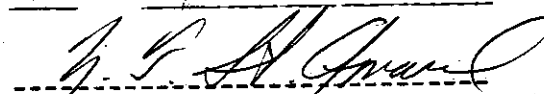

Carl, PCK needs a 20 amp. power supply, if anyone should find one at a flea market or elsewhere. Carl set up his pc and gave the members a demo on packet radio. Much appreciated Carl for that extra set-up work. Discussions on the club possibly applying for a New Horizons grant. Gene, IJD to follow up and report back to members at the Feb. meeting.

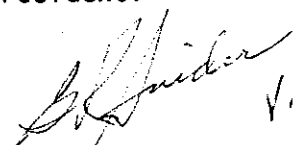

\$ 28.00 was added to the club treasury from the 50/50 draw.

Balance in the bank \$ 1,009.51 as of Jan. 13th, 1992.

Meeting adjourned by Jack, DIS. H' P
